

Qintar Advocates & Legal Consultants

Qintar Company:

Qintar is a legal institution licensed by the Iraqi Bar Association and registered by the Registration of Companies Directorate, and it includes a group of lawyers and legal experts with experience and specialization in different fields of law. Qintar team cooperates in providing legal advice and guidance to its clients and representing them before the courts, judicial bodies and regulatory bodies. It specializes in providing legal services and legal advice to clients, and aims to provide legal advice and support to individuals and companies in various legal cases, with a focus on achieving its clients' legal goals and protecting their interests. Qintar's legal fields vary widely, such as Companies and commercial law, real estate law, criminal law, labor law, tax law, intellectual property rights, environmental law, international law, commercial arbitration, and others.

Qintar works closely with its clients to understand and analyse their legal issues and provide professional legal advice and specialist advice. Qintar's services include preparing legal documents, presenting pleadings before courts, negotiating and mediating legal deals, and resolving disputes and arbitration.

Qintar's goal is to achieve its clients' legal goals and protect their legal interests. Professional confidentiality and adherence to professional ethics are among the most important values adopted by the company, as lawyers maintain complete confidentiality of their clients' information.

The choice of Qintar represents the best legal avenue in Iraq to ensure access to high-quality legal services and accurate and reliable legal guidance.

Qintar Advocates & Legal Consultants

2. Legal Consultation:

Qintar's legal consultations department is a core area of our practice as we have spent decades providing expertise to local, regional and international companies, banks and financial institutions. Our experienced legal advisors understand the standards required to provide the highest level of support to our clients. With a thorough knowledge of Iraqi and international law, we can respond to client requirements with professionalism and excellence.

Our reputation for regional excellence and expertise extends beyond our network of offices in Baghdad and the rest of Iraq covering all of Iraq's territory.

3. Contractual Documents:

Qintar's consultants have drafted, reviewed and advised on a large number of contracts for all types of industries covering the following sectors:

- Governmental
- EPC Contracts
- Private Sector Contracts
- Commercial contracts

4. Litigation Department:

Qintar's litigation department has a dedicated team of litigation lawyers who have worked - each member of the team - on hundreds of civil and criminal cases before all Iraqi courts and represent the company in every governorate in Iraq. The team is headed by renowned lawyer (Hamid Obaid Mahmoud Al-Zaher), who is leading the division with more than 30 years of experience and holds a degree in law, security sciences, international relations and diplomacy

He previously worked inside Iraq as a general manager in the security, administrative and rights departments and worked as a lawyer in both civil courts, integrity and criminal courts. He also worked as a government legal advisor and represented Iraq at international trade conferences.

The company's records of success rates amount to 98% of the cases handled.

Qintar Advocates & Legal Consultants

4. Litigation Services:

We provide strategic dispute analysis and practical advice on all the outcomes our clients may face, legal representation through experienced lawyers in all governorates of Iraq, and international arbitration. Qintar has served its clients in all of the following with a high win rate:

- ❖ Representation at all levels before Iraqi courts
- ❖ Representation in civil cases
- ❖ Representation in all commercial disputes and lawsuits
- ❖ Representation in criminal cases
- ❖ Representation before special courts
- ❖ Representation before Customs Courts
- ❖ Representation before Administrative Courts
- ❖ Representation before the Tax Court
- ❖ Representation before labour courts

Litigation and legal advice for trademark infringement:

The company also has a strong team led by a recognized intellectual property lawyer. It also provides the development of anti-piracy software. The Services include all stages related to the negotiation, drafting and registration of intellectual property licensing agreements in contracts.

The founders of the Qintar team are two of the most diverse Iraqi lawyers, and their experience and performance has been duly recognized before Iraqi courts. **Mr. Amjad Ali Al Issa** (Expert Partner) and **Mr. Aws Hamid Al Zaher** (Managing Partner), who are duly licensed by the Iraqi Bar Association with full authority.

A lawyer from the **Qintar** team may travel and appear in court anywhere in the world, whether as an advisor to a party to the case, or as a court-appointed expert or witness. The two experts shall act independently, and each expert may assume any position without prejudice to professional duties and conduct.
